p. III	Where is the mention of considering the Base and National Parks mission as okayed per City Council 1/26/2010. It is in the General Plan Summary but not stated in the General Plan. The text at the beginning of the Executive Summary (italicized) is not the vision statement. What is listed here?	Clarification
p. IV	Revise Native American history to accurately reflect previous native inhabitants in the area	Revise
p. V	Paragraph two, there are run on sentences and sentence fragments.	Revise with appropriate punctuation.
p. V	Paragraph 3, last line, last sentence, the incorporation of Twentynine Palms was separate from the annexation of the mainside portion of the installation. Placement of the incorporation sentence implies the entire Marine Base is an incorporated city, which it is not.	Separate these ideas.
p. XIV	Line 9, There should be an "s" after the first "the following symbol:" Perhaps review the formatting consistency and have two subtitles like "Adaptability" and "Development" as it appears there should be three symbols and not just two.	Correct & Clarify
