The new General Plan Advisory Committee (GPAC) for the City of Twentynine Palms will hold its first series of public meetings in July.

On Monday, July 6, an orientation meeting will be held for the recently appointed GPAC members to meet each other and to begin planning a work schedule with the City's Community Development Director, Charles LaClaire. Also at the July 6 meeting, City Attorney Patrick Munoz will present information about the Brown Act, pertaining to open public meetings, and the California Environmental Quality Act (CEQA).

On Monday, July 20, GPAC members will meet with consultants from the City's planning firm, Hogle-Ireland Inc., to begin preliminary work on the General Plan Update. This will be the first of six formal meetings with the consultants over the next 12-18 months.

Both meetings are open to the public and begin at 6 p.m. in Council Chambers at Twentynine Palms City Hall, 6136 Adobe Road.
