NEWS RELEASE – NOVEMBER 2, 2009

GENERAL PLAN ADVISORY COMMITTEE MEETINGS SET FOR NOVEMBER

Two regular meetings of the General Plan Advisory Committee (GPAC) are scheduled to be held in November to continue work on the General Plan Update for the City of Twentynine Palms. The meetings are set for Monday, Nov. 9 and Nov. 16, at 6 p.m. at City Hall, 6136 Adobe Road.

“The focus of both meetings will be alternatives for Land Use, Circulation, and Infrastructure,” said Nelson Miller of Hogle-Ireland Inc., the City’s General Plan Update consultant. The ultimate goal during this phase of the update process will be “determining a Draft Preferred Land Use Plan for the City,” he said.

Maps will be presented to the GPAC at the meeting, illustrating lower intensity land use issues, the City’s existing Land Use Plan, and higher intensity alternatives for the future.

“We are also looking at potential circulation and infrastructure issues,” said Miller, “and are preparing a series of questions to assist the GPAC in consideration of the alternatives.”

Following the GPAC meetings in November, the second of three Community Workshops is expected to be held in December to receive input from the general public on the potential alternatives for the General Plan Update.
