## Class Descriptions

### Creative Movement

This class is for the young dancer. This class incorporates beginning & basic terminology & movement. The student will learn basic coordination, body alignment, rhythm and beginning performance technique. Students will be introduced to the barre.

### Ballet

These classes are for dancers at all technique levels. Students will work on barre & center floor work, proper body alignment, musicality and performance technique.

### Jazz

These classes are for dancers at all technique levels. The classes will incorporate movement and technique from a variety of jazz styles as well as hip-hop movement. Students will have movement studies that will allow them to work on and develop improvisation and choreograph skills.

### Modern/Hip-Hop

This class will incorporate many different styles of modern dance from lyrical, ethnic, song interpretation & acro (hyper dance) and hip-hop movement.
