NOTE: Routes reflected on these maps is a combination of the input from 2009-10 public input and City staff and consultants. Trails and use areas indicated on these maps are generalized vicinity mappings of suggested trails and use area locations. These map depictions are designed for discussion and planning purposes and do not imply existing legal access or adoption by local jurisdictions. Community Trails planning is a component of the City's ongoing General Plan update process. Connections to Joshua Tree National Park are suggested potential links and do not imply existing Park planning.
