

**CITY OF TWENTYNINE PALMS  
CITY COUNCIL  
RESOLUTION NO. 26-02**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TWENTYNINE  
PALMS, CALIFORNIA, ESTABLISHING A MAINTAINED ROAD LIST**

**WHEREAS**, that Every City and County within the State of California is mandated to have an official Maintained Road List, which is required to be updated from time to time. A City Maintained Road list gives clarity to the City Council, City Staff, and the General Public as to which roads are maintained and to what standards; and

**WHEREAS**, Formalizing the Maintained Road List provides transparent guidance to Council, Staff, and the General Public as to the expectations of City streets and their upkeep; and

**WHEREAS**, The City inherited its road system from the County of San Bernardino when the City incorporated in 1987. Since that time, several developments have occurred, along with upgrades to existing roads. The process for adding roads to the City's maintained road system has been very informal since the City incorporated; and

**WHEREAS**, City Staff has made every effort to search through historical State, County, and City records to identify if any road maintenance list has been formally approved. It should be noted that there seems to be no evidence that the City Council has ever formally adopted any list. The establishment of this list is intended to replace any informal lists that may have occurred in the past; and

**WHEREAS**, The Circulation Element of the General Plan prescribes several different road designations, each with different widths of right-of-way and pavement areas; and

**WHEREAS**, after the establishment of this list, all modifications will be subject to a decision of City Council, based upon the recommendation of the City Engineer and other City Staff; and,

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Twentynine Palms adopt the Exhibit A and B list as the official Road Maintenance List, and any modifications to this list will require further resolutions by the City Council; and

**PASSED, APPROVED AND ADOPTED** by the City Council of Twentynine Palms this 27<sup>th</sup> day of January, 2026.
